Subject index

Volume 10

Acartia grani,
feeding rates, diurnal variations 907
Adriatic Sea,
Xystonellidae distribution 413
Algae,
orthophosphate/phosphorus, organic uptake, Israel, Lake Kinneret 1239
Amino acids,
free, uptake, zooplankton, Sargasso Sea 1225
Ammonium,
uptake, phytoplankton, Brazil, Amazon River 7,31
uptake, phytoplankton, oligotrophic freshwater lake 133
Anchoa mitchilli,
life history, effects of, *Mnemiopsis leidyi* predation 359
Ankistrodesmus densus,
Chlorophyceae, excreted compounds, copper complexation 1313
Antarctic lakes,
photosynthate biosynthesis, phytoplankton 333
Australia,
estuarine waters, Dinoflagellata, paralytic toxins production 533
Australia, Mount Bold Reservoir,
water optical properties, relationships, phytoplankton photosynthesis/growth 1151

Bacteria,
Copepoda, associations, Poland, Zielony Lake 551
Daphnia longispina/Eodiaptomus japonicus filtering rates, Japan, Lake Biwa 835
orthophosphate/phosphorus, organic uptake, Israel, Lake Kinneret 1239
presence of, crustaceans gut 559
Bacterioplankton,
contribution of, respiration, eutrophic lakes 515
Baltic Sea, Kiel Bight,
picocyanobacteria distribution 1009
Blue-green algae,
toxins, *Bosmina longirostris*, resistance 771
Bosmina longirostris,
resistance, blue-green algae toxins 771
Bosmina longispina,
food selection, functional response 319
Brazil, Amazon River,
ammonium uptake, phytoplankton 31
nitrogen/ammonium uptake, phytoplankton 7

Calanus pacificus,
pigment destruction 715
Calycophorae,
Prayidae, new species 637
Canada, Bay of Fundy,
neuston, taxonomic composition/distribution, Euphausiacea/Decapoda 185
Canada, Plastic Lake,
Cladocera:*Holopedium gibberum*, microsporidia parasitization 875
Canada, Queen Charlotte Islands,
Oceanodroma spp., importance of *Paracallisoma coecus* 63
Canary Islands,
island effect, mesozooplankton biomass/electron transport 1141
Carbohydrate,
production, phytoplankton, Japan, Lake Biwa 941
Carbon,
inorganic, fixation, effects of light, diatoms 199
Cell division,
phytoplankton, UK, Menai Straits 1251
***Chaoborus* larvae,**
prey selection, effects of defences, zooplankton 101
Chlorophyceae,
Ankistrodesmus densus, excreted compounds, copper complexation 1313
Chlorophyll,
phytoplankton vertical distribution, North Pacific 987
Citharus linguatula,
larval development, Mediterranean Sea, western 1131
Cladocera,
Holopedium gibberum, microsporidia parasitization, Canada, Plastic Lake 875
Cladocerans,
filtration rate/body length relations 115
Cnidaria,
distribution, north-west Mediterranean Sea 385
Copepoda,
bacteria, associations, Poland, Zielony Lake 551
calanoid, population dynamics 431
different populations, France, La Manche 503
Heterocope septentrionalis, feeding rate, effect of container size 313
Metridia pacifica, swimming behaviour 1285
Copper,
complexation, Chlorophyceae:*Ankistrodesmus densus*, excreted compounds 1313
Crustaceans,
gut, presence of bacteria 559

Ctenophore,
Leucothea pulchra, new species, USA, California Bight 301
Cyanobacteria,
effects of salinity USA, Potomac River 49
Cyclopoid,
predation, fish larvae 573

***Daphnia*,**
behaviour variability 621
phytoplankton, laboratory ecosystem, dynamics 691
***Daphnia longispina*,**
filtering rates, bacteria, Japan, Lake Biwa 835
primary production, growth, food requirements, Norway, Lake Kvernavatnet 921
Decapoda,
taxonomic composition/distribution, neuston, Canada, Bay of Fundy 185
Diatom,
Phaeodactylum tricornutum, photosynthesis, light fluctuations 1077
Diatoms,
inorganic carbon fixation, effects of light 199
Dinoflagellata,
paralytic toxins production, estuarine waters, Australia 533
***Dunaliella tertiolecta*,**
diurnal behaviour 327

Eastern North Atlantic,
northerly winds, production, relation 151
***Eodiaptomus japonicus*,**
filtering rates, bacteria, Japan, Lake Biwa 835
***Euchlanis dilatata*,**
biomass/production, mountain lakes, Spain, Sierra Nevada 1065
***Euphausia lucens*,**
growth, production, South Africa, Benguela Current 1099
population dynamics, South Africa, Benguela Current 1083
***Euphausia vallentini*,**
population structure, penguin prey, South Indian Ocean 675
Euphausiacea,
taxonomic composition/distribution, neuston, Canada, Bay of Fundy 185

Fish larvae,
distribution, effects of eddies, USA, Hawaii 1209
Fluorescence,
phytoplankton, UK, Menai Straits 1251
France, La Manche,
Copepoda, different populations 503
FRG, Lake Constance,
autotrophic picoplankton dynamics 1179

Heavy metals,
effects of, phytoplankton 779
***Heterocope septentrionalis*,**
Copepoda, feeding rate, effect of container size 313
***Holopedium gibberum*,**
Cladocera, microsporidia parasitization, Canada, Plastic Lake 875
Hungary, Lake Balaton,
phytoplankton community summer succession, effects of storms 249

Ice algae,
living, arctic zooplankton preference for 267
Irish Sea,
Nephrops norvegicus distribution 735
Israel, Lake Kinneret,
orthophosphate/phosphorus, organic uptake, bacteria, algae 1239

Japan, Kuroshio,
phytoplankton abundance 1113
Japan, Lake Biwa,
carbohydrate/protein production, phytoplankton 941
Daphnia longispina/Eodiaptomus japonicus filtering rates, bacteria 835
Japan, Lake Kasumigaura,
sedimentation, *Microcystis* 283

Larval marine fish,
predation, effects of, zooplankton population dynamics 887
***Leucothea pulchra*,**
new species, ctenophore, USA, California Bight 301

Macroplankton,
micronekton, nutrient recycling 767
Mediterranean Sea,
north-west, Cnidaria distribution 385
Mediterranean Sea, western,
Citharus linguatula larval development 1131
Mesozooplankton,
biomass, electron transport, island effect, Canary Islands 1141
***Metridia pacifica*,**
Copepoda, swimming behaviour 1285
***Microcystis*,**
sedimentation, Japan, Lake Kasumigaura 283
***Microcystis aeruginosa*,**
buoyancy regulation, light-limited cultures 171

Microflagellates,
sensory prey detection 455
Micronekton,
macroplankton, nutrient recycling 767
Microparticles,
filter analysis, USA, Hawaii, Kaneohe Bay 999
Microsporidia,
parasitization, Cladocera:*Holopedium ibberum*, Canada, Plastic Lake 875
***Mnemiopsis leidyi*,**
effects of predation, *Anchoa mitchilli* life history 359

N.W.Africa,
sound scattering layers, patterns 89
***Nephrops norvegicus*,**
distribution, Irish Sea 735
New Zealand, East Cape,
eddies, epipelagic zooplankton 601
Nitrogen,
uptake, phytoplankton, Brazil, Amazon River 7
Norway, Lake Kvernavatnet,
primary production, *Daphnia longispina*, growth, food requirements 921

***Oceanodroma* spp.,**
importance of *Paracallisoma coecus*, Canada, Queen Charlotte Islands 63
***Oncaea praeclara*,**
new species, hydrothermal vents, east Pacific Ocean 475
***Oncaea zernovi* Shmeleva,**
description/redescription 543
Orthophosphate,
uptake, bacteria, algae, Israel, Lake Kinneret 1239
***Oscillatoria agardhii*,**
The Netherlands, IJsselmeer, suitability 579

Pacific Ocean,
east, hydrothermal vents, *Oncaea praeclara*, new species 475
***Paracallisoma coecus*,**
importance of, *Oceanodroma* spp., Canada, Queen Charlotte Islands 63
***Phaeocystis pouchetti*,**
abundance, biochemical composition, metabolic rates 219
colonial stage, blooms 749
***Phaeodactylum tricornutum*,**
diatom, photosynthesis, light fluctuations 1077
Phosphate,
uptake, phytoplankton, oligotrophic freshwater lake 133
Phosphorus, organic,
uptake, bacteria, algae, Israel, Lake Kinneret 1239
Photosynthate,
biosynthesis, phytoplankton, Antarctic lakes 333
Photosynthesis,
measurement, on-line system 555
Phytoplankton,
abundance, Japan, Kuroshio 1113
ammonium uptake, Brazil, Amazon River 31
ammonium/phosphate uptake, oligotrophic freshwater lake 133
carbohydrate/protein production, Japan, Lake Biwa 941
community, summer succession, effects of storms, Hungary, Lake Balaton 249
Daphnia, laboratory ecosystem, dynamics 691
effects of heavy metals 779
fluorescence, cell division, UK, Menai Straits 1251
growth/irradiance relationship 1291
marine, circadian photosynthesis 1
nitrogen/ammonium uptake, Brazil, Amazon River 7
optical properties, model 851
photoadaptation, vertical mixing 1039
photosynthate biosynthesis, Antarctic lakes 333
photosynthesis/growth, relationships, water optical properties, Australia, Mount Bold Reservoir 1151
primary production, effect of internal waves 565
protein analysis, separation 341
succession/development, lakes, trophic states 1189
vertical distribution, chlorophyll, North Pacific 987
Picocyanobacteria,
distribution, Baltic Sea, Kiel Bight 1009
Picoplankton,
autotrophic, dynamics, FRG, Lake Constance 1179
Poland, Zielony Lake,
Copepoda/bacteria associations 551
Prayidae,
Calycophorae, new species 637
Primary production,
fixed-depth, effects of internal waves 77
phytoplankton, effect of internal waves 565
USA, Lake Huron, USA, Lake Michigan 1273

Primary productivity,
afternoon depression, high rate oxidation pond 373
empirical model 813
Protein,
analysis, separation, phytoplankton 341
production, phytoplankton, Japan, Lake Biwa 941

Rotifers,
growth, controlled culture 1023

Salinity,
effects of, cyanobacteria, USA, Potomac River 49
Sardina pilchardus,
eggs, distribution, abundance, Spain, Ria of Vigo 403
Sargasso Sea,
free amino acids uptake, zooplankton 1225
South Africa, Benguela Current,
Euphausia lucens growth, production 1099
Euphausia lucens population dynamics 1083
South Indian Ocean,
Euphausia vallentini population structure, penguin prey 675
Spain, Ria of Vigo,
Sardina pilchardus eggs, distribution, abundance 403
Spain, Sierra Nevada,
mountain lakes, *Euchlanis dilatata* biomass/production 1065
Synchaeta,
reproduction, secondary production, USA, Potomac River 659

The Netherlands, IJsselmeer,
suitability, *Oscillatoria agardhii* 579
Turbulence,
small-scale, effects on plankton contact rates 465

UK, Menai Straits,
phytoplankton, fluorescence, cell division 1251
USA, California Bight,
Leucothea pulchra new species, ctenophore 301
USA, Hawaii,
fish larvae/zooplankton distribution, effects of eddies 1209
USA, Hawaii, Kaneohe Bay,
microparticles filter analysis 999
USA, Lake Huron,
primary production 1273
USA, Lake Michigan,
primary production 1273
USA, Potomac River,
cyanobacteria, effects of salinity 49
Synchaeta reproduction, secondary production 659

Venezuela, Lake Valencia,
zooplankton community composition 957

Xystonellidae,
distribution, Adriatic Sea 413

Zooplankton,
arctic, preference for living ice algae 267
community composition, Venezuela, Lake Valencia 957
defences, effects of, prey selection, *Chaoborus* larvae 101
distribution, effects of eddies, USA, Hawaii 1209
epipelagic, eddies, New Zealand, East Cape 601
free amino acids uptake, Sargasso Sea 1225
population dynamics, effects of larval marine fish predation 887
spatial distribution, fish predation, eutrophic lake 487
